PROFILE

Motivated Frontend Developer with a strong foundation in HTML, CSS, JavaScript, and React.js. Experienced in developing responsive and user-friendly web applications using modern frontend technologies and APIs. Hands-on experience with React, Tailwind CSS, Firebase, React Router, Monaco Editor, and Judge0 API through academic and personal projects. Currently expanding my expertise in the MERN stack while continuously improving my problem-solving, development, and software engineering skills.

PROJECT

StreamXCoder — Interactive Coding Learning Platform **2025 - 2026**

Developed an interactive learning platform that combines coding tutorial videos with an integrated code editor for real-time practice. Built using React.js, Tailwind CSS, Firebase, React Router, Monaco Editor, and Judge0 API.

TECHNICAL SKILLS

- Frontend: HTML5, CSS3, JavaScript, React.js, Tailwind CSS, Bootstrap
- Backend: Node.js
- Database: Firebase, SQL, MySQL
- APIs & Tools: REST APIs, Judge0 API, React Router, Monaco Editor
- Version Control: Git, GitHub
- Programming: C++, C#
- Other: Networking (Beginner)

EDUCATION AND TRAINING

Information Technology Degree

Sir Syed University of Engineering and Technology **2022 - 2026**

Developed a strong foundation in Information Technology, programming, software development, databases, and computer networks. Gained practical experience in problem-solving, teamwork, and developing software projects through academic coursework and hands-on projects.

Saylani Mass IT Training

MERN stack trainee **2024 - 2025**

Completed practical training in MERN Stack Development, covering MongoDB, Express.js, React.js, and Node.js. Developed hands-on skills in web application development, REST APIs, databases, and full-stack development.
